I never really knew sister Rhonda but I was named after her. Mama (Sis Shelby Clark) telling me a long time ago that she thought she was so pretty when I was born she named me after her that was that was in 1962 I seen her about a year ago at church one night we sat and talked and visited I really enjoyed it now the Lord has called her home. I had never even met Rhonda that I can remember until I lived up north. She was always so sweet to me and encouraging me. She gave me a very nice framed picture with an Eagle and the scripture in Isaiah...40:31
Isaiah 40:31New International Version (NIV)

31 but those who hope in the Lord
will renew their strength.
They will soar on wings like eagles;
they will run and not grow weary,
they will walk and not be faint.

She'll never know how much that meant to me. I loved her dearly..and she made the best banana bread I've ever had in my life. She was sweet to everyone and she will be so greatly missed by everyone who knew and loved her
