“ *my deepest condolences to AL's family.
i met AL in our Gym in huntsville. I was very sad to hear about his
passing. What an inspiration. His personality would light up the
Gym, and you would hear about it if you didn't. 😊
I will miss him and may God bless his soul!*

“ *As I was headed to Al's visitation tonight I thought of the large
number of folks that changed their schedules to be there, then I
quickly remembered how Al would do it for ANYONE 1,000 times
over!*

“ Alan Frazier... My Lifelong Friend passed away this morning. He was 66 years old. He was a true warrior. Al was x military, at times he was extreme and hard to love. He loved and truly enjoyed his routine of work and working out. We enjoyed each others company each and every time we were together . Even on Iron Bowl😭. He was a Huge HUGE ALABAMA Fan. After I came back home in 2017, after a couple years in SC, fighting cancer. Al, Never Missed a day where he texted me Good Morning Kathy Girl! Until Wednesday... You said we were in this together. That we had each other's back. Now Your Gone and I'm Left again. I'm heartbroken but I know in my heart that I will see you again my dear dear friend. You hold down Heaven til I get there. Watch over me and have my back from afar. I had you over half of my life.... I will be lost yet again...Rest Easy Now . I Loved You while you were here and I will love you while we are apart. Until We Meet Again... WarEagle 🦅💙 Over and Out 🟫🟫
