“ *My dearest grandma,*

I just wanted to say how much I wish I could be at your service. I know you'd understand, but it still makes me sad to miss it. I wish we could have spent more time together; sadly, we lived so far apart. I've got such great memories of when you would visit, as well as our time at the restaurant with the round table, sharing good laughs. Those moments mean the world to me!

You'll always have a special spot in my heart, and I'll carry your spirit with me as I go through life's adventures. I hope to feel you close by during all the upcoming milestones. It's comforting to think of you catching up with our loved ones who have passed, and watching over us with your warm smile.

Until we meet again, Grandma, just know I love you, forever and a day.
