“ I've always loved Allie she was a sweet lady that my mama loved dearly. Mama would talk about when her and Allie were young girls and the things they would do together. They were the same age and mama loved to sit and remince of her younger days with Allie. They now have plenty of time to catch up and enjoy their friendship forever more.

“ *Aunt Allie was like another to me when I was kid, she cooked great chocolate gravy and biscuits. I'm sure we got on her nerves with us staying at her house all the time. Lived her so much and I love all you cousins. Prayers fto you all. Now she's with her sisters and they can all be talking and laughing..*

“ *I remember your lovely and kind mother from many years ago when I was a child. My family lived across the street from yours for many years on Western Avenue in Harvey. She was such a sweet and caring woman. Always welcoming when my sister Myra or I were there. She made me my first milkshake that I ever had with a mixer in your kitchen and I still remember that and smile. I was lucky to know her as a child. I am so sorry for the loss to you and your family of such a gentle yet strong woman. My condolences and deepest sympathies . Love and care to all of you. JoAnn Edwards*
