“ My heart is broken. I have so many fond memories of my friend Al, our families spent a lot of time together over the years on our trips to Mobile to visit my sister and brother in law Gina and Steven Poole. I can remember the first day we met and hear his voice calling me “Little Lady”. From our New Years celebrations playing Monopoly, our trips across the bay for delicious seafood, our Christmas exchanges and cookouts, Al was a great friend who became part of our family. My trips to Mobile will never be the same. Fly high dear friend, sleep well.
