“ Our prayers go out to your family in this time of need. He will
comfort you, cling to him and he will strengthen you. We are so
sorry, we have prayed from the moment we heard, sometimes it's
hard to accept his will, but he has a plan for all of us. You have
some beautiful memories I'm sure of the times you had with her,
cherish them no one can ever take those away. Know that the
children of God are praying for you, reach out to those you feel
close to, God will comfort you. Love &Prayers, Wade & Linda
