“ *Amelia was one of my residents at the Willows. I enjoyed her so much; she was always willing to help another resident if she could; she wanted to host popcorn and movie nights and call bingo on the weekend. I took her and Justin on their first date in the facility van. She made many friends here and we will surely miss her.*

“ *I knew Amelia as a youngster as I am Rick's next door neighbor. I know that Rick's family is suffering greatly at this time and I pray that God will give each of you the strength to endure the grief associated with the loss of someone so young. Please accept my heartfelt condolences for your loss.*
