“ *I am so saddened by this terrible news. I have worked with Andrex for the past few years. He was such a good guy. I always enjoyed talking with him about his family. My prayers are with his family during this difficult time.*

“ *I met cousin Andrex when we were kids and he awed me with a June bug kite by tying a string to its leg. I treasure that fun memory! I wish for peace for his loved ones.*

“ I worked with Andrex for 21 years. He was a great friend to me, and I'm gonna miss him terribly. This doesn't even seem real. I used to aggravate him about being the grammar police lol. He would always laugh. Have lots of memories that I will cherish. Prayers to the family 🙏🙏❤️❤️

“ Andrex went to church with us back in late 90s early 2000s. He had two small boys and was so excited to do things with our young men/boys of the church. He was always cheerful and excited about being in God's house. So sad to say goodbye at such a young age. Hodge church loved his family. Bless you all.
