“ *We loved Andy. He was always kind and loving to us. In the end, there is no greater tribute that can be made to him than to say that he was a good human being, and that he tried to live his life as such. We pray that his family and friends will take some measure of comfort in knowing that the Light that is Andy Tanner now soars free in the arms of God Whose Name is Love, and that his soul is has been returned to wholeness. With deepest sympathies, Barbara and Sharon*
