“ *I am at loss for the words I want. This is so shocking about such a sweet, beautiful girl whose life is taken so young & in such a horrible way. I have beautiful memories of the sweet girl she was at a young age. She was a joy to see her smiling face everyday. I won't try to come to her funeral since this new virus is out & I have health issue's but my prayers will be with you all. 🙏*
