“ *Raeann, in all the years I knew you, from kindergarten on, I don't think I ever once remember seeing you with anything but a smile on your face. The impact you had on so many people was overwhelming, and nobody will ever forget you. To Raeann's family, know that she always had such a positive impact upon everybody and that you will see her again one day. Be at peace Ray Ray.*

“ *David, Darlene, Paul, & family my heart is broken as I heard the news. Raeann was precious. I remember living beside y'all growing up and she would play on the swing set all the time. She was a beautiful young lady. Its got to be the hardest thing to go through & my prayers are with you and your family. She touched many lives and has two beautiful boys. Its so hard to believe she is gone, but we all know she is sitting by God on the throne..*
