“ *My dasr first cousin lived 2 lives. He lived his first life emerged in sports and drinking. When he accepted Christ, his new life began. If Il Corinthians 5:17 was ever written for anyone, that anyone was Aubrey. Those who knew him well, can attest to this. He WAS a changed person. This is the Aubrey I c hoose to remember. His life is a testimony to what a commitment to Christ means I will see him again.*
