Archie was one of my favorite cousins, his mother was my Aunt Lois who was married to my daddy's brother Sherman Cornelison and I spent a lot of time with them while Archie was in Korea and they would let me write him letters maybe 1 or 2 a week, as I really did not know what he was doing then I am so grateful for the services that he gave to us all. I loved him more like a big brother, and I will miss him forever.
