“ Although much after the fact of Bet’s passing, I am heartbroken to hear of it. My solace comes from knowing that my father, Ray was waiting for her on that other side and now they are reunited. Bet was such a kind and loving soul, who brought such comfort and warmth to my family. My heart goes out to her daughters, who must be missing her everyday. I myself look forward to her loving embrace when I too pass, as I know she will be waiting to great me with a hug. I do so love her for the devotion she had for my father and her true, pure love for the people in her life. God’s speed Bet! You were an angel on earth.
