“ *Sweet Aunt Betty - I remember when she was much younger. Vivid memories of her kindness, her charity, her lack of judgment, her ability to make excuses for someone else when she heard someone else say something derogatory. She made me want to be like that. What beautiful memories I have of her generous love and kindness to all!*

As she grew older poor health stole that personality from her, but nothing can steal those memories from me! Rest in love and peace forever!
