“ *I have thought often of Betty and Bill since Dawn and David left the lake in Scottsboro. These were two very special people, full of love and kindness; no matter how Betty was feeling, she was always happy to see us. I have missed Betty; I feel certain, however, that whatever discomfort she was going through, she is now free again to laugh and feel good! My sincere love go out to Bill and their family...I know she will be missed!*

“ *I have so many wonderful memories of Betty's humor, friendship, strength and caring. She was a wonderful neighbor and always so kind to us ... especially to our son, Andrew! Bill, we know you must feel lost without dear Betty but know that so many of us are praying for your comfort at this time!*
