“ *Gail and Billy: your mother and father were the people that brought me to the Lord. I have great memories of Faith Baptist Church and your parents, you and Billy.*

I'm sorry for your loss but know I'll be able to thank them in heaven.

“ *My family owes a debt of gratitude to this pastor for leading us to Christ. He was my pastor as a boy growing up in Glenaddie and a friend who encouraged me in ministry all his life. He was dedicated to the cause of Christ. My family will miss him, my mom & dad celebrate him now & this world grieves his absence of witness. I love you Billy Kitchens & because you were faithful I will see you again.*

I tried to find you the last month dad was alive. He had mentioned you a few times. The pastor at Lakeview in Southside told dad at the Christmas banquet that you asked about him. Dad was happy to hear that.

“ Gail I will always have great memories of you n your family living behind us. Our backyards joined. Our parents shared a close special friendship being Daddy was Chairman Board of Deacons and Brother Billy pastor. I was your babysitter a lot. I know you will miss your Dad but you were blessed to have him so many years. I think of your family often and my love I send also. Wish we had been able to attend services. Always close to my heart. “ Brother Billy and Mrs. Betty were special people who had such a positive impact and my family. He dedicated my son and was the one the Lord used to lead my dad to salvation. I have never know anyone who was so dedicated to lost souls! Heaven gained a good one. We love you and will see you someday!

“ We were members of Lakeview Baptist Church, in Southside, during the time Brother Billy was Pastor there. It was an honor to have known Brother Billy and Betty. They both blessed our lives. Brother Billy visited us several times and each time I would be ironing. It got to be a joke with he and I that if I put up my ironing board would he come to see us..!!! May God comfort all of the family at this time.
