“ So many memories of this dear sweet woman. I cried on her shoulder many times during Katherine, Jessie, and Fredia's illnesses. Always giving me a pick me up, and encouraging me. I remember all the cards and poems that she sent for birthdays, anniversaries or just because she loved us and was thinking of us. Heaven gained a worker and a sweet spirit this morning. She will brighten the area around the throne of God with her glow as she worships our Lord, She will be there to welcome David and the others as they arrive. Love you Bobbye Paradise, and as Billy Graham said about himself-- you are more alive than ever, you just changed your address.
