“ *It hurt me so bad not to be able to be there with you on your final rest day Uncle Bobby. I will always cherish the memories we had. Most of my memories are from my childhood when I was a little girl. I remember when you was driving your 18 wheeler and you would stop by the house to visit us when you would come through and we would get excited. I remember mom would say Uncle Bobby's coming and there me and mom would go to Walmart to get you Dr Peppers since all Mom drank was Coca Cola and we had to have you Dr Pepper when you got there. I remember you showing me where you slept in your truck on trips and you even had a TV in there I thought that was really cool. But now Uncle Bobby you can drive as fast as you want in Heaven along Grandma and Uncle Jerry and all of the rest of our family that has passed. I bet you are up there having a family reunion right now. You will be very missed Uncle Bobby but you will never be forgotten. We love you. Love, your niece Dodie, great niece, Marcela great nephews, Anton, Juan, and Luis. RIP Uncle Bobby*
