“ *I have many fond memories of Brad and always thought he was one of the truly good guys. He made the umpire meetings a lot of fun back in the day. RIP Brad!!! May God comfort and strengthen the family in the days and weeks ahead, especially Kim.*

“ *Brad and I were in Spain rehab together when we were rehabbing from polio. We didn't know we were sick as we were so it was vacation time for us. The nurses finally got enough and split us up to bring the clinic back to something close to normal but that was short lived as we soon got back together. We have been close friends every since and I will miss him dearly. Hope to see you again some day Brad.*

“ *I am sorry to hear this. Brad was my bus driver for many years. He was always quick to speak and have something funny to say. I saw him several months ago and he always remembered those that crossed his path. Prayers for the family during this time.*
