“ *I had the opportunity to work with Mr. Bruce for a number of years in the Jackson County School System. I knew him best from Hollywood school, when I worked at the Materials Center in Hollywood and often visited Three Springs when delivering text books or materials. Mr. Money was a pleasure to work with, always friendly, respectful, helpful and cooperative. I did not know of his passing until I recently found his obituary while searching for someone else. I also worked with his son, Randy.. My deepest sympathy is extended to the Money family. May God bless you now and in the days ahead.*

“ *Uncle Bruce ALWAYS let me come in to chase his cats through the house, no matter how old I got. He also let me hop his fence to pet the goats and horses, and never complained about the sporadic visits!*
