“ *I love you and miss you more than you'll ever know. Thank you for the 28 beautiful years and wonderful life and the home and family that we made together. I will live the rest of my life loving our family and honoring your memory and missing you until the Lord brings us back together again. When I said that you are my forever I meant it and I will live my life and smile at the happy memories until we see each other again to begin our eternity. You and my love for you will always be alive in my heart while I am here without you. I love you Bryan Keith Sutphin .. This is not "good bye".. This is "I will see you again." Rest in Peace my darling...*
