“ *I'm so sorry for your loss. I went to Fackler grade school with Buford and Eddie. They were two fine young boys. I remember that they lived near the school and would go home for lunch. Sometimes they would bring back what they called wedding cookies after lunch and they were always egger to share them with their friends. My prayers and thoughts are with Buford's Family during this sad time.*

“ *I am so sorry for your loss. I didn't know him personally; but, I know he was a fine man. Judy and I have worked many concession stands together, while Jody and my daughter, Erin, were in the band. I've known Eddie since Jr. College, and, he is one of the finest men I have ever known. Once a friend, always a friend. Love and prayers to all of you! God bless you.*
