“ Just want to thank those that cared and loved our Dad as much as we did. There is one thing about Cap , he loved to grow fresh vegetables for everyone. He would always keep prices low so everyone could enjoy them. I know of several times he would hold vegetables for those that only got a check once a month. We were truly blessed to call him Dad. We miss him so much, but know that Heaven is where he met our Mom and our sweet sister Betty. We just have to strive to go there. Lisa

“ I don't think I ever knew a nicer more giving person than Mr. Winger. I bought lots of sweet potatoes, in front of Hardee's, from him. He would always put them in my car. Later we went to his house to get them. We were there the next day after a storm came and blew down his beans and tomatoes that he had stuck. When we commented how bad we felt, he said, "God was good, it could have been my house." RIP, MR. 'CAP'.
