“ *I cannot believe that Aunt Cat is gone, I was just talking about her at work Thursday & then the next morning she's gone. Life is such a quick brief moment. Aunt Cat was ALWAYS SO nice & sweet to us, well to everyone, but especially to us she was such a great aunt!! I will miss her dearly. I used to get to see her at Grandma's when I'd go visit, then after we lost Grandma I started going to Aunt Cat's to visit, it won't be the same without seeing her on my regular visits (hasn't been the same without Grandma or going to her house either). I'm thankful Aunt Cat isn't suffering anymore now, she suffered so bad for so long, but we will all miss her. Uncle Randy, Randall & Kimberly, so sorry for your loss, I know your life will NEVER be the same again (nor will ours without our Aunt Cat), we love you guys!! Wish I could've been there, but I'd also like to remember her as she was, it was hard seeing her as she withered away & went thru what she did. I know the Grandbabies will dearly miss her too, boy did she love her babies!!!!*

Love, Ellen.
