“ *When Charly & I were little girls, you could not tell us apart from behind. I was only 3 months older than her....hence came my "Auntie Barbie" title. Charly & I were playing in mud puddles with sticks. In a little bit, Dick(Charly's step-dad) grabbed me up & wore me out. My Mother told him he had better not ever lay another hand on her little girl ever!! The memories we can so laugh about now....wasn't funny then.....my rear hurt from the whapping!*
