

## Mr. Charles David Baker Jr.

May 29, 1954 - July 31, 2025

Charles David Baker Jr, of Grant, AL, passed away in a tragic accident on July 31, 2025 at the age 71. Born on May 29, 1954, in Sanford, FL. David was the son of the late Charles David, Sr and Joyce (Flo) Baker.

David lived a full and exciting life. He traveled all over the country during his 45+ year career as an Industrial insulation specialist. He was a member of Local Union 78 of the International Association of Heat and Frost Insulators and Asbestos Workers.

His passion was anything and everything about motorcycles. From cruising around town in his Hawaiian shirt, to riding in the Trail of Tears, locating original parts for restoring vintage motorcycles including a '46 Harley and competing and winning multiple motorcycle competitions, he was never away from his bikes for a long period of time.

He was a gifted mechanic/general handyman. There was hardly ever a problem he couldn't fix himself. His favorite music to listen to while doing all his various jobs was Jimmy Buffet and John Prine. He loved animals, owning many different types; both domestic and various farm animals from Horses to Goats to Chickens.

David is survived by his wife Carolyn; and his daughters Amy Stucker and

Mariah Baker; his step-daughters, Odessa Langlais and Letha Prince; step-son Jarred Porter; along with their families. His legacy will live on in the hearts and minds of everyone he interacted with as well as those he reached but never met. Through him, we know what resilience and perseverance truly looks like.

David will be remembered at a visitation on Friday, August 8, 2025 from 2 to 4 pm at Scottsboro Funeral Home. There will be no funeral service.

“ I am David's oldest sister. David was the sixth out of nine children. All our hearts have been shattered by his death. The shock of hearing about it was overwhelming, not our sweet David. For hours, I could not stop the tears, remembering all the wonderful times we had growing up and in more recent times gathering at our family reunion and last year, meeting him at his home and going to have lunch at the Mexican restaurant in Scottsboro. I know that in time all these memories will turn into happy ones that we can think of and smile. My love and heart goes out to Carolyn and his daughters. Just know that although I cannot be there for his visitation you are all in my thoughts and prayers. 🙏❤️🙏

“ *My Brother....God only knows how our hearts break... You will be remembered as one of the most positive people I have ever known....smiling, loving, kind....*

*When hearts are heavy and hope grows dim,  
Tears may fill our eyes,  
But today's sorrow could be  
A blessing in disguise.*

*We cannot know what lies ahead,  
But we serve a loving God,  
And we will always find beside us  
His footprints in the sod.*

*Much love for my sweet Brother, may you rest in peace*

*Betty*
