“ So many good memories. Getting to drive the Toyota Celicas and throwing those papers, blessed by the best hair cuts from Julia who was the prettiest lady in Sboro, Big Chuck letting me drive the boat, visiting with sweet family in Bridgeport, trying to keep our mini bikes running for the next race, laughing with Scott and Chuck until we couldnt breath, and knowing that every single Nelson had my back and loved me. They helped with an ultimate gift....learning to love, accepting love, and sharing love. To Scott, I'm so, so sorry. You have had your share of heartbreak of family loss but a good man you are. I think about your mom often and shed a few tears over her here and there. I think about Chuck's wrecks and how fortunate he was to survive them. To Chuck's sons who I don't know...please find comfort that your dad had so much love in his heart. I can only imagine how proud he was of you both. God bless you and your families. Sincerely, Betsy Browder Koger

“ Hello old friend. So very sorry things turned out this way. I remember having some of the best memories with you. You were Chucky, and I was Wally. I remember spending the night at your house and climbing what seemed like a Mt. so close to your home. not to mention us getting lost in the deep woods at County Park and coming out near the hwy. several miles farther than where we suspected, and it was around 30 degrees. Also you had the kindest Mother and Father, and little brother Scotty. You were raised well, and I know you carried that on. I just hate that we did not get to catch up old friend. I've thought of you vey often over the years.

Warm regards,
to your family.
