“ It's is very hard to pick just one memory. I worked for Charles for nine years at the store. He taught me a lot. We talked about business,family, and just everyday life. He could be very stern at times,but he was fair. He was a good man,but didn't like for people to know the things he did for others. He lived life on his own terms. He was good to me in many ways. I have many memories of my time there and will cherish them for as long as I live . RIP GROUCH!!! I will miss you....I love you. Belinda
