“ *I remember the fun vacation times with Mark. We were kind of the oddballs. He always made me laugh. He was a gentle giant. He always took time to explain his collections to me. He was quite a dare devil at times. Mark always made me feel like I mattered. He always made me feel welcome and loved. I'm thankful for those summer vacations. Most of all, I'm thankful to have such a loving cousin that made time for a "pip squeak" like me.*
