“ *Always checking on everyone. But my favorite memory would be all of us COUSINS playing together with what we had to play with. Bats, ball, or a rough game of Red Rover. It could never be sweet and innocent. That wouldn't be fun to us if it were. Ahhh the memories I can carry with me in my heart forever. Listening to you giggle as you got onto me for using all caps when I sent you a message. You hated that because you thought I was yelling. I was doing it so you could see it lol. I'm grateful you're not struggling, yet I'm jealous it was you and not me. I love you sweetie. Your love is in all of us, and that's what makes me feel the love in return. Forever I'll cherish the "I love you too" you spoke to me yesterday. May God hold you now as you rest your peaceful soul. Give Moma, Granny, Mamaw, and Mrs Jennie a huge hug and I'll be seeing you all one day!*
