“ *Christy was always one that would help ANYONE. She was rarely ever found without a smile and a good word of cheer. I was privileged to become friends with her many years ago and smile when I think of her. Our baby boys were so close in age, we often thought one was the other. :-)* This old world will never be the same without her, but I wouldn't call her back for anything. RIP, sweetheart. You made it. <3

“ *I went to Hollywood School with Christy many years ago. I will always remember her sweet personality and smile. We spoke recently on the phone, but I wish I had been able to see her again. My prayers are with her family.*
