“ *Thank you Mr. Lawrence for all you years as an officer. It is always a blessing to have an officer who I loves the Lord. I can remember the times that we had people that were trespassing at night. I believe that you and other officers responded. I never really knew you but felt safer after my Mother said that Mr. Clarence checked every and all was OK. Thank you for making our lives safer. Now may you rest in peace as you crowned with your reward in heaven .*
