“ *I am so sorry for your loss. Gayle and I spent most of the summer before 9th grade inseparable. Marching band practice, smoking behind her house, and an ill fated trip to Opreyland when her mom's car broke down. She was a beautiful soul then and always said "whoa baby".*

“ *Gayle was a precious angel here on earth. Now the Lord has taken this angel home with him. We love you all and we could never thank Gayle for all she done and the loved she showed to our family during the last days of our precious mother. She was an awesome nurse. We love you all and prayers for you all during this time and days to come. Heaven just got sweeter.*
