

Mr. Dan Freeman

November 10, 1932 - September 17, 2022

Dan Freeman went home to be with the Lord on Saturday, September 17, 2022, surrounded by his wife, of 66 years, Sue, and his daughters, Betsy (Butch) Runyan and Paige (John) Quinlivan. He leaves behind a granddaughter, Tyler (Tim) Sojourner and grandson, Hunt (Dana) Quinlivan and six great-grandchildren.

He was born in Martin, Tennessee to Roy and Ethel Freeman. He served in the US Marine Corps before graduating from the University of Tennessee with a degree in Electrical Engineering. He was a member of the Professional Engineering Society. After he retired from TVA, he was employed at NASA where he was awarded a commendation by President Bill Clinton for cost saving measures.

He was a longtime resident of Scottsboro and a very accomplished genealogist. He loved his church, Cumberland Presbyterian, and his church family. He served as Deacon and Elder and served as chairman of the building and grounds committee for many years. He was a proud member of the Lions Club, serving as president of three different clubs. He received the Edward Jones Award after 50 years of service. He served several terms as president of the Impact board.

Working in his yard, boating, and being with friends, were happy times for him.

His grandchildren were special to him and they spent many hours making things, playing in the lake and piddling in the workshop. He was a true and faithful friend. He will be missed by his friends here on earth and welcomed into Heaven by those gone before.

The family is eternally grateful for the love and care given to him by the staff at the Renaissance Marquis Memory Care unit in Rome, Georgia and the special care shown by Helping Hands sitter service.

The visitation is scheduled for Tuesday, September 20th from 12:00 until 2:00 p.m. at the Cumberland Presbyterian Church, with the service immediately following.

Memorials may be made to Cumberland Presbyterian Church or Sadye's Fund for Spreading Hope.
