“ *I had the pleasure to actually sit and visit a few hours with Danny 2-3 years ago. His home and property originally belonged to my family and as children we roamed all over, had horses, grandmother had chickens, the croquet court, so many wonderful memories. My heart and that of our family had been so warmed to know of Danny's love for the place also. He was very talented and I had hoped to get back to visit him again but I had moved to lower Alabama and don't get back that way much. Family is still in the Lithia Springs area and all are saddened to hear of Danny's passing. I hope you can find some peace in knowing he had peace and love at his home just as we did for so many years. Molly Mayhue, my niece who grew up on the adjoining property, and I were just talking about Danny a couple weeks ago. My prayers are with you all, just know that Danny was well thought of and appreciated....we will not forget him. Brenda Black Sewell*

“ *When you meet good people, you feel their goodness in everything they say and do and see it in their eyes. Danny's goodness was easy to see and feel. He was a great guy, one-of-a-kind, and the best neighbor anyone could ever hope to have. We are sad to say goodbye to him and are all better for having known him, are thankful for his friendship, and will miss him dearly.
