“ *Pastor David had a very humble and unassuming demeanor. His smile was regular and easy to put on. Serving the Lord in a foreign land for such a long time, as he and his wife Bettie did, is ample testimony to his dedication and strong sense of call. On behalf of the Seventh Day Baptist World Federation, we recognize his service as President for the World Federation Sessions held in Alfred, NY in 1978. We express condolences to his family, and pray for the Lord's sweet and assuring comfort for them.*
