“ *Grandmother had a testimony she would tell when I was younger that I'd like to share.*

She needed a tube of pipe insulation and headed out to get some. Wasn't expensive or hard to find..... But as she came upon Arnolds Auto Repair Shop, a piece fell onto the windshield of her car. She pulled over, grabbed it off her windshield, said, "thank you Lord", and went on her way about her business. If anyone knew how spunky she was, you can just imagine hearing her tell it.

Love you grandmother! - Brooke
