“ *Aunt Dolliy was one of the sweetest and kindest people I have ever met. She was always working to make everyone happy. I will never forget her open heart and open door especially on decoration day. She is the good example to follow in charity. I will never forget and look forward to the great day when families can be together again. God said store up your treasures in heaven and there your heart will be also. A great treasure just got stored there. Follow her example. <3*

“ So many childhood memories that I will always cherish n keep close to my heart was made with you n Uncle Homer. I remember all the Mother Days dinners, the Sunday fried chicken dinners n the wrestling nights with Uncle Homer! Riding our bikes over to help in the chicken house. I know you r up in heaven having your own family reunion n you r at peace. Thanks for the childhood memories that will always keep me smiling n will keep me the country girl I am. Love you both n rest in peace.
