“ I remember the first time I met Donald. I thought I was going to have to whoop him. Lol. Leslie, Sarah and I were in Huntsville shopping. We were just crossing from the parking lot to go into the store, they're was a little lady crossing ahead of us, we'll all of the sudden this man sitting there in his car letting us pass starts beeping his horn at this lady!!!! I was so mad !!! I was like good gracious she's going as fast as she can. So we get in the store Leslie is getting Sarah in a buggy and she notices who the lady is (Glenda) and then in walks Donald, grinning from ear to ear!!! He said I gave him a really dirty look for blowing at his wife!!! Lol So every time I ever saw him, he would walk right up to me and say "beep,beep". He was a Sweetheart 🍷🍷🍷🍷
