“ I'm so sorry for the loss to family and friends. I've known Donna for over 50 years. She was always sweet and friendly to me. She was beautiful. I know she will be dearly missed.

“ Moma nothing in THIS world could ever prepair me for this day, the day we lay you to rest. But GOD, I thank you for the time I had with my mother. I'm missing you so much moma, I keep thinking i need to bring you something to eat. I know you're no longer hurting and I know the fields of flowers you kept telling me about that morning is beautiful. I never imagined it would be our last conversation. Rest well mother. 🙏🏻👐 I love you
