“ *The best memories of my life you was apart of and will never ever forget you Darcy Ann! You were and are my second mother and the grandmother of my daughter and we both miss you more then words can express. Not only do me and Taylor miss you but everybody that ever met or knew you misses you and always will. You were at my high school graduation, in my wedding, there for the happiest day in my life when my daughter was born and your granddaughter. So many ups and down and many situations and always in my heart and many others hearts! Will always love and miss you and will never forget you!*

*Love you always,
