“ *Mama, these last two weeks have been so hard. I still can't believe you're gone. I miss you so very much and I cry for you every single day. I know it will get better as time goes by but right now I can't stop thinking, and remembering everything you taught me as a mother. I remember all the Christmas's (your favorite holiday) and you wanted to have just one more with us, thank you for that! We all know that you suffered so much just to make it through Christmas this year and get to see all of your family one more time. We have so many, many pictures to keep your memory alive and we we're honored to be with you, in your home, holding your hand as you left us to be with Jesus. We know you loved us all, but your family in Heaven was waiting for you to come home. Now you're a beautiful angel and free from pain forever. I love you Mama with all my heart.*

“ *Miss Me - But Let Me Go*

*When I come to the end of the road  
And the sun has set for me  
I want no rites in a gloom filled room  
Why cry for a soul set free?  
Miss me a little - but not too long  
And not with your head bowed low  
Remember the love that was once shared  
Miss me - but let me go  
For this is a journey that we all must take  
And each must go alone  
It's part of the Master's plan  
A step on the road home  
When you are lonely and sick of heart  
Go to the friends we know  
And bury your sorrows in doing good deeds  
Miss me - BUT LET ME GO*
