“ *Dot was definitely one of my “work moms”. She was so special to me and was definitely a great influence on me during my time working with her at the bank. It's been a while since I've seen her but I honestly thought and spoke of her often. Wanda and Bruce, I know you will miss her terribly but the memories you have and with God's hand comforting you she will live on in your hearts forever. Please know you are in my prayers. I loved her so much. Love, Belinda McMunn*

You will be missed but I know you'll be happy to be with your siblings again!*
