“ I am so very sorry to hear of Dot's passing. We worked together for many years at Express Care in Guntersville. There was an instant connection, and I loved her from the moment we met. We had such great times together and I would stop by and visit with her when I was in Guntersville. She was always on that front porch, and she would say well hello Jeffery. The world lost a great woman. My thoughts and prayers are with the family.
