“ *I had the privaledge of meeting Mr. Jones few yrs ago and becoming his caregiver. My fondest memories of him was when Mrs. Jones would buy his favorite fried chicken. She wanted him to eat healthy so she would take some of the skin of fried chicken . He didnt like that he ask me where is the chickens clothes? I laughed. I realized he was talking about the skin. So from then on when she bought chicken he would tell her leave the clothes on the chicken. And another fon memory is when we watched movies together how he would laugh. It saddens my heart. But also my heart rejoices because your journey has ended to the mansion with our father God.*
