“ *There is not enough words to describe you. Thank you for welcoming me and Kurt into your Mustang family but more importantly into your family. You always had a smile on your face and a hug ready for us. Thank you for all the invites to mystery rides, Thin Blue Line rides and car shows. We are so sad not to be there for this ride but know you will always be riding with us no matter where the road leads us. I know when we meet again you will have a great ride planned for us. I will make sure I bring the sour cream angel food cake. Love you always my sweet friend.*
