“ *Jack will truly be missed in our community. He was a good-hearted man. He was so good to share his home grown vegetables with me. I loved buying flowers from him and Marsha. I will always cherish the conversations we had over the years as neighbors. I love all his family and I pray that God will give you joy by sharing all the good memories that he has left you. “ Thank you Mr. Jack for being a grandfather to our daughter (Holly Doll) and a great grandfather to Savannah Kate and Coralee. Although our conversations were only at family visits, I always came away feeling as I'd learned something from you. The world is a lesser place with your passing and you will be missed by all who knew you. Rest in Peace our friend!
