“ *I am so sorry for your loss. When my mother was in the nursing home I would go by & pick her & her mother up and we would all go together. I think her dad was there. That was back in the 1990's I thought the world of her*

“ *So sorry to hear the loss of a sweet lady Fannie Pearl. She was a neighbor at one time and then later on in years we worked together a few years. God bless Scott and the family.*
