“ *Faye was a very dear Friend. We have laughed, cried and rejoiced over our Children, Grandchildren and Great Grandchildren. We worked together for many years. She was my boss and sometimes we got recognized for each other since in our younger years we looked like we were Sisters. Through the years we have been Sisters. There are a lot of memories that will always remain in my heart as long as I live. Faye has gone on to help us cross over some day and what a wonderful Reunion that will be. Rest In Peace my Sweet Friend. I love you.*
